

**CANDIDATE FOR CITY COUNCIL MEMBER
CITY OF MONTCLAIR**

NAME: BILL RUH

OCCUPATION: Government Affairs/Councilmember

As a lifetime Montclair resident, I have watched Council decisions shape and create our community, making it the vibrant and dynamic place it is today. I am proud of my record of balancing our budget, increasing reserves, retaining business, establishing new job opportunities and helping to create a paramedic program. I will continue this leadership by ensuring the completion of our new Police facility; overpasses for both Monte Vista Avenue and Ramona Avenue as part of the Alameda Corridor East project; nutrition and lifestyle programs in a new Senior Citizen Center, as well as activities aimed at our young people and teens as part of a new Youth Center.

I will not rest on past success, but continue to push forward and work with our residents to build a community that we are all proud to call home.
